

The Great Story Creator

Open a blank presentation. Let's write a story together!

Your Mission

You are the author! Follow the text instructions on each of the next slides. Type your answers on your own blank slides to build a fantastic adventure!

Slide 1: Meet Your Hero

On your first slide, type the name of your hero and describe them!

- ★ Is it a brave space dog with a jetpack?
- ★ Is it a clever ninja cat who loves pizza?
- ★ Is it YOU with super powers?
-  **Task:** Type 3 sentences about your amazing hero!

Slide 2: Pick a Place

Where does your story happen? Pick one below or make up your own!

The Woods

The Whispering Woods. It is full of tall, glowing trees and tiny fairies.

Planet Zorg

A bumpy, red planet with two moons and friendly aliens!

Deep Blue

An underwater city made entirely of shiny, colorful glass.

Slide 3: The Big Problem

OH
NO!

Something went wrong!

What happened?

Every good story has a problem to solve.

Did your hero lose their map? Did a silly dragon steal their lunch? Did the spaceship run out of fuel?

Task: Type what went wrong!

Slide 4: Time to Fix It!

The Smart Idea

Type out the clever plan your hero makes to solve the big problem. Do they need to build a gadget or find a hidden key?

The Action!

Type out what they actually do. Do they run super fast, use a magic spell, or ask a wise friend for help?

Slide 5: The Grand Finale

"And they all lived happily
ever after... or did they?"

Type your exciting ending on your final slide!

You Did It!

You just wrote your very own presentation story.

Now, hit "Present" and read your story out loud to a friend or family member!
